Unlocking And Resetting COD Web Site Passwords (03/31/06)

COD would like to remind COD Web site users that Security Administrators (COD Web site User Level 5) are able to unlock and reset passwords for the users (User Level 1-4) they established at their school or organization. However, if the Security Administrator needs his or her password unlocked or reset, the Security Administrator must contact the COD School Relations Center.

In order to unlock users, a Security Administrator should log in to the COD Web site, www.cod.ed.gov, and complete the following steps:

- Step 1: From the Welcome to Common Origination & Disbursement Web Site screen, click on the User tab on the blue bar at the top of the screen. The User Search screen displays.
- Step 2: Enter the search criteria for the user and click on the submit button at the bottom of the User Search screen. The Search Results screen displays and lists users that match the search criteria.
- Step 3: On the Search Results screen, select the name of the user that needs to be unlocked. The User Information screen displays.
- Step 4: Click on the Modify button at the bottom of the User Information screen. The Update User Profile screen displays.
- Step 5: The Locked Out box on the Update User Profile screen contains a checkmark. Click on the Locked Out box to remove the checkmark.
- Step 6: If a new temporary password is not needed, skip this item and go to Step 7. If a new temporary password is needed, enter the new temporary password in the New Password field. Then re-enter the new password in the Re-enter New Password field to confirm. The user will need to change this password to one of his or her choosing.
- Step 7: Click on the submit button at the bottom of the Update User Profile screen. The Update Your Profile screen displays.
- Step 8: On the Update Your Profile screen, click on the Submit button to confirm the updates made to the user's profile.

2003-2004 Pell Grant CFL Reduction To GAPS Net Drawdown On March 29, 2006 [03/02/06 (Updated 03/30/06)]

On March 29, 2006, the COD System reduced the Pell Grant 2003-2004 Award Year Current Funding Level (CFL) to equal the Net Drawdown amount found in the Grant Administration and Payment System (GAPS). This action applies to schools that had a CFL greater than their GAPS Net Drawdown. As noted in the warning message that we sent to affected schools on March 1, 2006, this action was taken because disbursements and disbursement adjustments for the 2003-2004 Award Year should have already been submitted to the COD System for processing. This reduction affected approximately 1,000 schools.

A school affected by the March 29, 2006 CFL reduction to GAPS Net Drawdown will—

- Receive a text message (PGTX04OP Message Class) in the school’s SAIG mailbox notifying the school of the reduction;
- Receive a new Electronic Statement of Account (ESOA) that reflects the reduction;
- See a change in the school's CFL that reflects the reduction; and
- See a change in the school’s authorization in GAPS that reflects the reduction.

Note: The amount of the reduction will equal the difference between the school’s CFL and GAPS Net Drawdown. This means that the amount of the reduction could equal as little as \$0.01.

If you have any questions regarding the 2003-2004 CFL reduction to GAPS Net Drawdown or need to have funding reinstated, contact the COD School Relations Center.

2005-2006 Verification Status Code "W" Warning Message (03/09/06)

On March 8, 2006, COD began processing a text message (PGTX06OP) as well as a file of student records (PGRC06OP) to schools that have one or more student records still reported with a verification status code of "W". The message is a warning that these disbursements will be considered overawards and reduced to a zero dollar amount (\$0.00), even if the disbursements were previously accepted in the COD System. The reduction of the affected disbursements is scheduled to occur on April 5, 2006.

A more detailed electronic announcement regarding the warning message is posted on the IFAP Web site (<http://www.ifap.ed.gov/eannouncements/0309VerifWWarning0506.html>). Please refer to this announcement. If you have questions about the warning message or about reporting verification status codes to the COD System, contact the COD School Relations Center.

Reports And Data Requests

This section contains important notices regarding reports and/or data requests. While we encourage you to review this section, note that some schools may not be impacted by the information presented below.

- Pell Year-to-Date (YTD) Records—

The YTD Record can be used to assist a school with its year-end and ongoing reconciliation processes. Schools also use the YTD Record for the purpose of rebuilding a complete student record or Pell Grant database.

- For rebuilds for the 2005-2006 Award Year, the school can submit the data request via the COD Web site or batch.
- For rebuilds for the 2004-2005 and earlier award years, the school must contact the COD School Relations Center by e-mail to CODSupport@acs-inc.com. The school should include "Pell YTD" in the subject line. If a school is unable to e-mail its request, it can contact the COD School Relations Center by phone. [10/03/05 (Updated 10/27/05)]
